Directions to find Ameeca at The Greenhouse

Travelling from Newcastle

From the A1 / Western Bypass, take the A692 through Lobley Hill towards Consett. After around 10 miles, and shortly after passing through Dipton, turn left onto the A693. Head for Stanley and after around 2 miles, turn right onto Greencroft Parkway (signposted Greencroft Industrial Park). If you get to a roundabout before turning off, simply loop back and take the first left. On Greencroft Parkway, take the second left into Amos Drive. The Greenhouse is situated on the left. At the car park barrier, use the intercom to talk to the receptionist who will let you into the car park. Report to reception and they will let us know that you have arrived.

From Newcastle Airport, you should turn left out of the airport, towards Newcastle and then head south on the A1 / Western Bypass at the next roundabout. You can then join the A692 as described above.

Travelling from Durham

Take the A691 towards Consett from the roundabout on the A167 near the University Hospital. At Lanchester, turn right onto A6076 towards Maiden Law. At the top of a long hill and just after The Three Horseshoes pub in Maiden Law, turn left (signposted Greencroft Industrial Estate). Take the next right into the Greencroft Industrial Estate. Take next right into Amos Drive. The Greenhouse is situated on the left.

Travelling from the A1 (north or south)

Leave the A1 at Junction 63. Take exit off roundabout signposted A693 (Stanley). Travel on the A693 crossing 6 roundabouts (for nearly 8 miles). Just after the 6th roundabout (still on the A693) you will pass under a pedestrian bridge. Take the next left into Greencroft Industrial Estate. Turn left onto Amos Drive, The Greenhouse is on the left.

On Arrival

You can park your car in the Greenhouse car park, if the barrier is in place then please use the intercom to speak to the receptionist.

The Greenhouse uses the left hand entrance. On arrival, please notify reception and they will let us know you are here. Someone from Ameeca will come down to meet you.

We hope you have a safe journey and look forward to meeting you.
